B. Perguntas mais frequentes (FAQ)

Encontre as respostas aqui para as perguntas que você tem sobre esta Lista de drogas abrangidos. Você pode ler todas as FAQ para saber mais, ou procure por uma pergunta e resposta.

B1. Quais medicamentos prescritos estão na Lista de drogas abrangidos? (Chamamos a Lista de medicamentos abrangidos "Lista de drogas" resumindo.)

Os medicamentos da Lista de drogas abrangidos que começa na página 1 são os medicamentos cobertos por Neighborhood INTEGRITY. Esses remédios estão disponíveis em farmácias de nossa rede. Uma farmácia está em nossa rede, se temos um acordo com ela para trabalhar conosco e fornecer-lhe serviços. Nos referimos a estas farmácias como "farmácias de rede".

- Neighborhood INTEGRITY vai cobrir todos os medicamentos necessários na Lista de drogas se:
 - o seu médico ou outro prestador diz que você precisa desses remédios para ficar melhor ou manter-se saudável, e
 - você adquirir a receita numa farmácia de rede Neighborhood INTEGRITY.
- Neighborhood INTEGRITY pode exigir outras etapas para adquirir certos medicamentos (veja a pergunta B4 abaixo).

Você também pode ver a lista atualizada dos medicamentos que cobrimos no nosso site www.nhpri.org/INTEGRITY ou ligue os Serviços dos membros no 1-844-812-6896 (TTY 711).

B2. A Lista de drogas nunca muda?

Sim. Neighborhood INTEGRITY pode acrescentar ou remover medicamentos na Lista de drogas ao longo do ano. Também somos capazes de mudar nossas regras relativas aos medicamentos. Por exemplo, poderíamos:

- Decidir de requerer ou não uma pré-aprovação para um remédio (uma pré-aprovação é a permissão de Neighborhood INTEGRITY antes que você pode pegar um medicamento).

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**, visite www.nhpri.org/INTEGRITY.

- Aumentar ou mudar a quantidade de remédios que você pode adquirir (é chamado limitação de quantidades).
- Aumentar ou alterar as restrições do tratamento por etapa de um medicamento (tratamento por etapa significa que você deve tentar um medicamento antes que cobrimos outro remédio).

Se você está tomando um medicamento que estava coberto no início do ano, geralmente não removemos ou alteramos a cobertura desse remédio durante o resto do ano, a não ser que:

um novo medicamento mais barato saiu agora e funciona bem, assim como um remédio da Lista de drogas ou aprendemos que um remédio não é seguro, ou que um medicamento foi retirado do mercado.

Perguntas B3 e B6 abaixo tem mais informações sobre o que acontece quando altera a Lista de drogas.

Você sempre pode verificar online a Lista de medicamentos abrangidos de Neighborhood INTEGRITY atualizada, no site www.nhpri.org/INTEGRITY. Você também pode ligar os Serviços dos membros para verificar a atual Lista de drogas no 1-844-812-6896 (TTY 711).

B3. O que acontece quando há uma alteração na Lista de drogas?

Algumas alterações à Lista de drogas vão acontecer de imediato. Por exemplo:

- **Um novo remédio genérico torna-se disponível.** As vezes, um novo medicamento mais barato que saiu agora e funciona bem, assim como um remédio da Lista de medicamentos atual. Quando isso acontece, podemos remover o medicamento atual, mas o seu custo para o novo remédio ficará o mesmo. Quando acrescentamos o novo medicamento genérico, podemos também decidir de manter a droga atual na lista mas mudar as regras de cobertura ou os limites.
 - Talvez não consigamos informá-lo antes de fazer essa mudança, mas enviaremos informações sobre a específica alteração ou as alterações que fizemos.
 - Você ou seu prestador de serviços pode pedir uma exceção com essas mudanças. Enviaremos um aviso com as etapas que você pode seguir para solicitar uma exceção.
- **Um remédio é retirado do mercado.** Se a Food and Drug Administration (FDA) diz que um medicamento que você está tomando não é seguro ou se o fabricante dum remédio retirá-lo do mercado, nós retiraremos esse medicamento fora da Lista de drogas. Se você estiver tomando o remédio, nós o informaremos. Nós lhe enviaremos uma carta que lhe dará as informações sobre como acompanhar com o seu prestador de saúde e farmacêutico.

Podemos travez outras mudanças que afetam os medicamentos que você toma. Vamos informar-lhe antecipadamente sobre essas outras mudanças à Lista de drogas. Essas alterações podem acontecer se:

- A FDA fornecer novas orientações ou se houver novas diretrizes clínicas sobre um remédio.

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é gratis. **Para mais informações,** visite www.nhpri.org/INTEGRITY.

- Adicionamos um medicamento genérico que não é novo no mercado **e**
 - Substituir um medicamento de marca atualmente na Lista de drogas **ou**
 - Mudar as regras de cobertura ou os limites dum medicamento de marca.

Quando estas mudanças acontecerem, vamos lhe avisar pelo menos 30 dias antes de fazer essa alteração na Lista de drogas ou quando você pedir renovação de receita. Isto lhe dará tempo de conversar com seu médico ou outro prestador de saúde. Ele ou ela poderá ajudá-lo a decidir se há um medicamento similar na Lista de drogas que você pode ter em vez deste, ou se deve pedir uma exceção. Então você poderá:

- Adquirir um suprimento para 30 dias antes que a alteração na Lista de medicamentos seja feita, ou
- pedir uma exceção com essas mudanças. Por favor, veja a questão B10 para mais informações sobre as exceções.

B4. Existem alguma restrição ou limite à cobertura de medicamentos ou a qualquer ação necessária a ser tomada para adquirir certos medicamentos?

Sim, alguns medicamentos têm regras de cobertura ou limites quanto ao valor que você pode ter. Em alguns casos, você ou seu médico ou outro prestador de saúde deve fazer algo antes de você adquirir o remédio. Por exemplo:

- **Pré-aprovação (ou autorização prévia):** para certos medicamentos, você ou seu médico ou outro prestador de saúde deve ter a aprovação de Neighborhood INTEGRITY antes de adquirir os remédios na farmácia. Neighborhood INTEGRITY pode não cobrir o medicamento se você não estiver aprovado.
- **Limites de quantidade:** às vezes Neighborhood INTEGRITY limita a quantidade dum medicamento.
- **Tratamento por etapa:** às vezes Neighborhood INTEGRITY exige que você faz tratamento por etapa. Isso significa que você terá que experimentar medicamentos em uma determinada ordem relativo à sua condição médica. Você pode ter que tentar um medicamento antes que cobrirmos outro remédio. Se o seu médico achar que o primeiro medicamento não funciona para você, então cobriremos o segundo.

Você pode descobrir se sua droga tem qualquer requisito adicional ou limite dando uma olhada nas tabelas nas páginas 1-155. Você pode também obter mais informações, visitando o nosso site no www.nhpri.org/INTEGRITY. Temos publicado documentos online que explicam a nossa pré-autorização e as restrições de tratamento por etapa. Você pode também pedir-nos de enviá-lo uma cópia.

Você pode solicitar uma exceção desses limites. Isto lhe dará tempo de conversar com seu médico ou outro prestador de saúde. Ele ou ela pode ajudá-lo a decidir se há um medicamento similar na Lista de drogas que você pode ter em vez deste, ou se deve pedir uma exceção. Por favor, veja

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**, visite www.nhpri.org/INTEGRITY.

as questões B10-B12 para mais informações sobre as exceções.

B5. Como você saberá se o remédio que quer tem limitações ou se existem ações necessárias para tê-lo?

A Lista de medicamentos abrangidos na página 1 tem uma coluna rotulada "Ações necessárias, restrições ou limites de uso".

B6. O que acontece se mudarmos nossas regras sobre alguns medicamentos (por exemplo, pré-autorização (aprovação), limites de quantidades e/ou restrições de tratamento por etapa?

Em alguns casos, vamos informar-lhe de antemão se podemos acrescentar ou alterar a pré-aprovação, os limites de quantidades e/ou as restrições de tratamento por etapa dum remédio. Ver pergunta B3 para ter mais informações sobre este pré-aviso e situações onde não somos capazes de dizer com antecedência, quando nossas regras sobre os remédios na Lista vão ser alterados.

B7. Como se pode encontrar um medicamento na Lista de drogas?

Existem duas maneiras de encontrar um medicamento:

- você pode pesquisar em ordem alfabética (se você sabe como soletrar o nome do medicamento), **ou**
- você pode procurar por condição médica.

Para pesquisar **alfabeticamente**, vá para a seção Índice dos remédios abrangidos. Você pode encontrá-lo no site www.nhpri.org/INTEGRITY clicando no link para a Lista pesquisável dos medicamentos abrangidos.

Para pesquisar **por condição médica**, encontre a seção denominada "Lista de drogas por condição médica" na página 1. Os medicamentos nesta seção são agrupados em categorias, dependendo do tipo de condições médicas que tratam. Por exemplo, se você tem um problema cardíaco, você deve procurar na categoria, Cardiovascular – Drugs to Treat Heart and Circulation. Conditions Isso é onde você vai encontrar os medicamentos que tratam doenças do coração.

B8. Em caso o medicamento que você precisa tomar não estiver na Lista de drogas?

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**, visite www.nhpri.org/INTEGRITY.

Se você não ver seu medicamento na Lista de drogas, ligue os Serviços dos membros no 1-844-812-6896 (TTY 711) e pergunte sobre isso. Se você aprender que Neighborhood INTEGRITY não cobrirá o remédio, você pode fazer uma dessas coisas:

- Pergunte os Serviços dos membros para uma Lista de drogas como o que você quer tomar. Então, mostre a lista ao seu médico ou outro prestador de saúde. Ele ou ela pode prescrever um medicamento na Lista de medicamentos como o que você quer tomar ou você pode pedir ao plano de saúde de fazer uma exceção para cobrir o seu medicamento. Por favor, veja as questões B10-B12 para mais informações sobre as exceções.

B9. Se você for um novo membro a Neighborhood INTEGRITY e não poder encontrar o seu medicamento na Lista de drogas ou tiver problemas para encontrar o seu remédio?

Podemos ajudar. Podemos cobrir um suprimento para 30 dias da sua parte D ou durante 90 dias do seu plano Medicaid de cobertura de medicação, para os primeiros 90 dias que você é membro de Neighborhood INTEGRITY. Isto lhe dará tempo de conversar com seu médico ou outro prestador de saúde. Ele ou ela pode ajudá-lo a decidir se há um medicamento similar na Lista de drogas que você pode tomar em vez deste, ou se deve pedir uma exceção.

Se a sua receita for prescrita por poucos dias, permitiremos que várias receitas foram prescritas para máximo 30 dias da parte D medicação e 90 dias da cobertura de medicação Medicaid.

Cobriremos mais 30 dias do seu remédio da sua parte D ou 90 dias da sua cobertura de medicação Medicaid se:

- você está tomando um medicamento que não está na nossa Lista de drogas, **ou**
- as regras do plano de saúde não permitem que você adquirir a quantidade prescrita pelo seu médico, **ou**
- o medicamento requer pré-aprovação da Neighborhood INTEGRITY,
- ou você está tomando um remédio que faz parte de uma restrição de tratamento por etapa.

Se você ficar num lar de idosos ou num outro estabelecimento de cuidado de longa período e precisa dum remédio que não está na Lista de medicamentos ou se não consegue ter facilmente o remédio que precisa, podemos ajudar. Se você está no plano há mais de 90 dias, mora numa instituição de longa permanência e precisa um medicamento de imediato:

- Nós cobriremos um suprimento de 31 dias do medicamento que você precisa (a menos que você tenha uma receita por menos dias), que seja ou não um novo membro de Neighborhood INTEGRITY.
- Isto é adicional ao suprimento temporário dos primeiros 90 dias em que você é um membro de Neighborhood INTEGRITY.

Se o nível de cuidados muda então, o membro é capaz de receber um suprimento de 30 dias, se não estiver em cuidado de longo prazo e um suprimento de 31 dias em caso de cuidados de longa

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**, visite www.nhpri.org/INTEGRITY.

permanência.

B10. Você pode pedir por uma exceção para cobrir o seu remédio?

Sim. Você pode perguntar Neighborhood INTEGRITY de fazer uma exceção para cobrir um medicamento que não estiver na Lista de drogas.

Você pode também nos pedir de mudar as regras do seu medicamento.

- Por exemplo, Neighborhood INTEGRITY pode limitar a quantidade de remédios que nós cobriremos. Se seu medicamento tem um limite, você pode pedir-nos de alterar o limite e cobrir mais.
 - Outros exemplos: você pode nos pedir para retirar as restrições do tratamento por etapa ou requisitos de pré-aprovação.
-

B11. Como você pode pedir uma exceção?

Para pedir uma exceção, ligue os Serviços dos membros. Os Serviços dos membros trabalharão com você e seu prestador de saúde para ajudá-lo a solicitar uma exceção. Você pode também ler o capítulo 9 do *manual de membro* para saber mais sobre as exceções.

B12. Quanto tempo leva para receber uma exceção?

Em primeiro lugar, precisamos de uma declaração do seu médico, apoiando o seu pedido para uma exceção. Depois de fazer essa declaração, nós lhe daremos uma decisão sobre o seu pedido de exceção dentro de 72 horas.

Se você ou seu médico achar que a sua saúde pode ser prejudicada se você tiver de esperar 72 horas para uma decisão, você pode pedir uma exceção acelerada. Esta é uma decisão mais rápida. Se seu médico pode dar suporte ao seu pedido, nós lhe daremos uma decisão no prazo de 24 horas após de conseguir a declaração de apoio do seu prestador de saúde .

B13. O que são medicamentos genéricos?

Os medicamentos genéricos são constituídos com os mesmos ingredientes ativos como os medicamentos de marca. Eles geralmente custam menos do que o medicamento de marca e geralmente não têm nomes bem conhecidos. Os medicamentos genéricos são aprovados pela Food and Drug Administration (FDA).

Neighborhood INTEGRITY abrange ambos medicamentos de marca e medicamentos genéricos.

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**, visite www.nhpri.org/INTEGRITY.

B14.O que são medicamentos OTC?

OTC (over the counter) quer dizer em "venda livre".Neighborhood INTEGRITYabrange alguns medicamentos OTC, quando elas são receitados pelo seu prestador de saúde sem nenhum custo para você.

Você pode ler a Lista de drogas de Neighborhood INTEGRITY para ver quais medicamentos OTC são cobertos.

B15.O que é a sua co-pagamento (copay)?

Como membro de Neighborhood INTEGRITY, você não tem nenhum co-pagamento para pegar os medicamentos receitados ou OTC enquanto que você seguir as regras de Neighborhood INTEGRITY.

B16.O que são as camadas de medicamentos?

As camadas são grupos de medicamentos na nossa Lista de drogas.

- A camada 1 de remédios são medicamentos genéricos.
- A camada 2 de remédios são medicamentos de marca.
- A camada 3 de remédios são medicamentos OTC

Todas as camadas não têm co-pagamento.

C.Visão geral da Lista de medicamentos abrangidos

A Lista de drogas cobertos, lhe da informações sobre os medicamentos abrangidos pelo Neighborhood INTEGRITY.Se você tem dificuldade em encontrar o seu remédio na lista, volte ao índice de medicamentos cobertos que começa na página 156. O índice em ordem alfabética lista todos os medicamentos abrangidos pelo Neighborhood INTEGRITY.

Nota: o **DP** ao lado de um remédio significa que ele não é um "medicamento da parte D". A quantidade que você paga quando você pegar uma receita para este remédio não conta no seus custos totais de medicamentos (ou seja, a quantidade que você pagar não ajudará você a qualificar-se para uma cobertura catastrófica).

- Além disso, em caso você está recebendo ajuda Extra para pagar seus remédios, você não terá qualquer ajuda Extra para pagar esses medicamentos.Para ter mais informações sobre ajuda Extra, por favor, veja a caixa de chamada abaixo .

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**,visite www.nhpri.org/INTEGRITY.

Ajuda Extra é um programa Medicare que ajuda as pessoas com rendimentos e recursos limitados a reduzir os custos de Medicare Parte D dos medicamentos prescritos, como prêmios, franquias e co-pagamentos. A ajuda Extra é chamada também “o subsídio de rendimento baixo,” ou “LIS.”

- Estas drogas têm também regras diferentes para apelos. O apelo é uma maneira formal de pedir-nos que seja revisto a decisão de cobertura e alterá-la em caso você achar que temos cometido um erro. Por exemplo, podemos decidir que um medicamento que você deseja não está coberto ou não é mais coberto pelo Medicare ou pelo Medicaid.
- Se você ou o seu médico não concordarem com a nossa decisão, você pode recorrer a um apelo. Para pedir instruções sobre como apelar, ligue os Serviços dos membros no 1-844-812-6896 (TTY 711). Você pode também ler o capítulo 9 do *manual de membro* para saber como recorrer a um apelo de uma decisão.

C1. Lista de medicamentos por condição médica

Os medicamentos nesta seção são agrupados em categorias, dependendo do tipo de condições médicas que tratam. Por exemplo, se você tiver um problema cardíaco, você deve procurar na categoria, Cardiovascular – Drugs to Treat Heart and Circulation Conditions. Isso é onde você vai encontrar medicamentos que tratam doenças do coração.

Aqui estão os significados dos códigos utilizados na coluna "ações necessárias, restrições ou limites de uso":

B/D = Este medicamento com receita médica tem um requisito de pré-autorização administrativa da Parte B versus D. Este medicamento pode ser coberto pelo Medicare Parte B ou D, dependendo das circunstâncias. Talvez as informações precisam ser enviadas descrevendo o uso e configuração do remédio para tomar a decisão.

DP = o remédio não faz de parte D.

QL = limites de quantidades: Para determinados medicamentos, o Neighborhood INTEGRITY limita o montante do medicamento que o Neighborhood INTEGRITY cobrirá.

ST = tratamento por etapa. Em alguns casos, o Neighborhood INTEGRITY exige que você primeiro experimente determinados medicamentos para tratar sua condição médica antes de cobrirmos outro remédio para sua condição. Por exemplo, se os remédios A e B ambos tratam a sua condição médica, Neighborhood INTEGRITY não pode cobrir o medicamento B a menos que você experimente o medicamento A primeiro. Se o medicamento A não funcionar para você, o Neighborhood INTEGRITY cobrirá o medicamento B.

PA = pré-autorização. Neighborhood INTEGRITY exige que você ou seu médico obtenha uma pré-autorização para determinados medicamentos. Isto significa que você precisará obter aprovação de Neighborhood INTEGRITY antes de pegar as suas receitas. Neighborhood INTEGRITY pode não cobrir o medicamento se você não for aprovado.

NDS = Suprimento dum dia não prolongado. Esse remédio não está disponível para um suprimento de mais de 30 dias.

LA = acesso limitado. Este medicamento só está disponível em algumas farmácias especializadas.

Se tiver alguma pergunta, por chame Neighborhood INTEGRITY no 1-844-812-6896 (TTY 711), 8 am a 8 pm, de segunda a sexta-feira; 8 am a 12 pm no sábado. A chamada é grátis. **Para mais informações**, visite www.nhpri.org/INTEGRITY.
