B. Preguntas frecuentes (FAQ)

Encuentre aquí las respuestas a las preguntas que tenga sobre esta *Lista de medicamentos cubiertos*. Puede leer todas las Preguntas frecuentes para tener más información o buscar una pregunta y su respuesta.

B1. ¿Qué medicamentos recetados están en la *Lista de medicamentos cubiertos*? (Para abreviar, también llamamos “Lista de medicamentos” a la *Lista de medicamentos cubiertos*.)

Los medicamentos de la *Lista de medicamentos cubiertos* que empieza en la página 1 son los medicamentos que cubre Neighborhood INTEGRITY. Estos medicamentos se pueden adquirir en las farmacias de nuestra red. Una farmacia pertenece a nuestra red cuando tenemos un contrato con el establecimiento para que trabaje con nosotros y les provea servicios a los miembros. Nos referiremos a estos establecimientos como “farmacias de la red”.

- Neighborhood INTEGRITY cubrirá todos los medicamentos necesarios desde el punto de vista médico que estén en la Lista de medicamentos si:
 - su médico u otro profesional de la salud dice que los necesita para mejorarse o para mantener la salud, **y además**
 - usted adquiere el medicamento recetado en una farmacia de la red Neighborhood INTEGRITY.
- Neighborhood INTEGRITY puede añadir otros requisitos para acceder a ciertos medicamentos (ver pregunta B4 a continuación).

También puede consultar una lista actualizada de los medicamentos que cubrimos en nuestro sitio web, www.nhpri.org/INTEGRITY, o llamando al Servicio de atención a los miembros al 1-844-812-6896 (TTY 711).

B2. ¿La Lista de medicamentos cambia alguna vez?

Si tiene preguntas, llame a Neighborhood INTEGRITY al 1-844-812-6896 y TTY 711, de lunes a viernes de 8 a. m. a 8 p. m.; y los sábados de 8 a. m. a 12 p. m. La llamada es gratuita. **Para obtener más información**, visite www.nhpri.org/INTEGRITY.

Sí, y Neighborhood INTEGRITY debe seguir las normas de Medicare y Medicaid al realizar modificaciones. Podemos incorporar o eliminar medicamentos de la Lista de medicamentos durante el año. También podemos modificar nuestras normas con relación a los medicamentos. Por ejemplo, podemos:

- decidir que pediremos o no pediremos autorización previa para un medicamento. (Autorización previa es el permiso de Neighborhood INTEGRITY para que usted pueda obtener un medicamento).
- Agregar o modificar la cantidad de un medicamento que usted puede obtener (se denomina “límite de cantidad”).
- agregar o modificar las restricciones de tratamiento escalonado de un medicamento. (Tratamiento escalonado significa que usted debe probar un medicamento antes de que le cubramos otro medicamento).

Para obtener más información sobre estas normas que regulan el uso de medicamentos, consulte la pregunta B4.

Si usted está tomando un medicamento que estaba cubierto a **principios** de año, generalmente no eliminaremos ni modificaremos la cobertura de ese medicamento **durante el resto del año** a menos que:

- aparezca en el mercado un nuevo medicamento más económico que funciona igual de bien que un medicamento que está actualmente en la Lista de medicamentos, o
- nos enteremos de que el medicamento no es seguro, o
- el medicamento sea retirado del mercado.

Las preguntas B3 y B6 que figuran a continuación aportan más información sobre lo que sucede cuando se modifica la Lista de medicamentos.

- Usted siempre puede consultar la Lista actualizada de medicamentos de Neighborhood INTEGRITY en línea en www.nhpri.org/INTEGRITY.
- También puede llamar al Servicio de atención a los miembros al 1-844-812-6896 (TTY 711) para consultar la Lista de medicamentos vigente.

B3. ¿Qué sucede si hay una modificación en la Lista de medicamentos?

Algunas modificaciones de la Lista de medicamentos se producen **inmediatamente**. Por ejemplo:

Si tiene preguntas, llame a Neighborhood INTEGRITY al 1-844-812-6896 y TTY 711, de lunes a viernes de 8 a. m. a 8 p. m.; y los sábados de 8 a. m. a 12 p. m. La llamada es gratuita. **Para obtener más información**, visite www.nhpri.org/INTEGRITY. V

- **Aparece un nuevo medicamento genérico.** A veces, aparece en el mercado un nuevo medicamento que funciona igual de bien que un medicamento de marca que está incluido en la Lista de medicamentos. Si eso sucede, es posible que eliminemos el medicamento de marca e incorporemos el nuevo medicamento genérico, pero el costo que usted pagará por el nuevo medicamento será el mismo. Cuando incorporemos el nuevo medicamento genérico, también es posible que decidamos conservar el medicamento de marca en la lista pero modifiquemos sus reglas o límites de cobertura.
 - Es posible que no le informemos antes de realizar este cambio, pero le enviaremos información sobre el cambio específico una vez que lo hayamos realizado.
 - Usted o su proveedor pueden solicitar una excepción a estos límites. Le enviaremos una notificación con los pasos a seguir para solicitar una excepción. Para obtener más información sobre las excepciones, lea la pregunta B10.
- **Un medicamento es retirado del mercado.** Si la Administración de Medicamentos y Alimentos (FDA) considera que algún medicamento que usted está tomando no es seguro o el fabricante de un medicamento decide retirarlo del mercado, lo eliminaremos de la Lista de medicamentos. Si usted está tomando dicho medicamento, recibirá una notificación. Le enviaremos una carta donde le aconsejaremos cómo proceder con su proveedor y su farmacéutico.

Es posible que realicemos otros cambios relativos a los medicamentos que usted toma.

En caso de realizar otros cambios a la Lista de medicamentos, se lo notificaremos con anticipación. Estos cambios pueden producirse si:

- la FDA proporciona nuevas pautas o se publican nuevas directrices clínicas sobre un medicamento,
- incorporamos un medicamento genérico que es nuevo en el mercado **y**
- reemplazamos un medicamento de marca que se encuentra actualmente en la Lista de medicamentos **o**
- modificamos las reglas o los límites de cobertura para el medicamento de marca.

Cuando se produzcan estos cambios:

- se lo informaremos por lo menos 30 días antes de modificar la Lista de medicamentos **o**

- se lo informaremos y le proporcionaremos un suministro del medicamento para 30 días cuando usted solicite la reposición.

Esto le dará tiempo de hablar con su médico o con el profesional que le receta el medicamento. Este podrá ayudarle a decidir:

- si hay un medicamento similar en la Lista de medicamentos que usted pueda tomar en su lugar o
- si es conveniente solicitar una excepción a estos cambios. Para obtener más información sobre excepciones, consulte la pregunta B10.

B4. ¿Existen restricciones o limitaciones para la cobertura de medicamentos o requisitos que se deban cumplir para obtener ciertos medicamentos?

Sí, algunos medicamentos tienen requisitos de cobertura o límites en la cantidad que puede obtener. En algunos casos, usted o su médico u otro profesional que recete el medicamento deberán cumplir con ciertos requisitos antes de que usted pueda obtener el medicamento. Por ejemplo:

- **Autorización previa (o aprobación previa):** Para ciertos medicamentos, usted o su médico u otro profesional que recete el medicamento deberán obtener la aprobación de Neighborhood INTEGRITY antes de que usted pueda obtener el medicamento. Neighborhood INTEGRITY podría no cubrir el medicamento si usted no obtiene autorización.
- **Límites de cantidad:** A veces, Neighborhood INTEGRITY limita la cantidad de medicamento que usted puede obtener.
- **Tratamiento escalonado:** A veces, Neighborhood INTEGRITY requiere que usted realice un tratamiento escalonado. Es decir, para el tratamiento de su enfermedad, tendrá que probar medicamentos en un determinado orden. Es posible que tenga que probar un medicamento antes de que le cubramos otro. Si su médico considera que el primer medicamento no funciona para usted, le cubriremos el segundo.

Usted puede averiguar si su medicamento tiene algún otro requisito o límite consultando las tablas que figuran en las páginas 1-154. También puede obtener información visitando nuestro sitio web, www.nhpri.org/INTEGRITY. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y tratamiento escalonado. También puede pedirnos que le enviemos una copia.

Puede solicitar una excepción a estos límites. Esto le dará tiempo de hablar con su médico o con el profesional que le receta el medicamento. El médico le ayudará a decidir si hay un

Si tiene preguntas, llame a Neighborhood INTEGRITY al 1-844-812-6896 y TTY 711, de lunes a viernes de 8 a. m. a 8 p. m.; y los sábados de 8 a. m. a 12 p. m. La llamada es gratuita. **Para obtener más información**, visite www.nhpri.org/INTEGRITY.

medicamento similar en la Lista de medicamentos que usted pueda tomar o si debe pedir una excepción. Para obtener más información sobre las excepciones, lea las preguntas B10-B12.

B5. ¿Cómo sabrá si el medicamento que usted quiere tiene limitaciones o si existen requisitos que se deben cumplir para obtener el medicamento?

La *Lista de medicamentos cubiertos* de la página 1 incluye una columna rotulada “Acciones necesarias, restricciones o límites de uso”.

B6. ¿Qué sucede si modificamos nuestras normas sobre algunos medicamentos (por ejemplo, autorización previa (aprobación), límites de cantidad y/o restricciones de tratamiento escalonado sobre un medicamento)?

En algunos casos, le informaremos con anticipación si agregamos o modificamos requisitos de autorización previa, límites de cantidad y/o restricciones de tratamiento escalonado sobre un medicamento. Lea la pregunta B3 para obtener más información sobre esta notificación anticipada y las situaciones en las que quizás no podamos notificarle anticipadamente que se modificarán las reglas sobre los medicamentos que figuran en la Lista de medicamentos.

B7. ¿Cómo puede encontrar un medicamento en la Lista de medicamentos?

Hay dos formas de encontrar un medicamento:

- Puede buscar por orden alfabético (si sabe como se escribe el nombre del medicamento), o
- puede buscar por la enfermedad.

Para buscar **por orden alfabético**, diríjase a la sección Índice de medicamentos cubiertos. Puede encontrarla en la página 155.

Para buscar **por enfermedad**, busque la sección denominada “Lista de medicamentos por enfermedad” en la página 1. En esta sección, los medicamentos están agrupados en categorías según el tipo de enfermedad para la que se utilizan. Por ejemplo, si usted tiene una enfermedad del corazón, debe buscar en la categoría Agentes cardiovasculares - Medicamentos para tratar enfermedades cardíacas y circulatorias. Allí encontrará los medicamentos para tratar las enfermedades del corazón.

B8. ¿Qué sucede si el medicamento que quiere tomar no está en la Lista de medicamentos?

Si no lo encuentra en la Lista de medicamentos, llame al Servicio de atención a los miembros al 1-844-812-6896 (TTY 711) y pregunte por el medicamento. Si averigua que Neighborhood INTEGRITY no cubre ese medicamento, tiene las siguientes opciones:

- Pedir al Servicio de atención a los miembros una lista de medicamentos similares al que quiere tomar. Después mostrarle la lista a su médico o el profesional que le receta el medicamento. El médico puede recetarle un medicamento de la Lista de medicamentos que sea similar al que usted quiere tomar. **O**
 - pedirle al plan de salud que haga una excepción y cubra el medicamento. Para obtener más información sobre las excepciones, lea las preguntas B10-B12.
-

B9. ¿Qué sucede si usted es un nuevo miembro de Neighborhood INTEGRITY y no puede encontrar su medicamento en la Lista de medicamentos o tiene problemas para obtener su medicamento?

Nosotros podemos ayudar. Podemos cubrir un suministro temporal para 30 días de su medicamento Parte D o un suministro para 90 días de su medicamento cubierto por Rhode Island Medicaid durante los primeros 90 días si usted es Miembro de Neighborhood INTEGRITY. Esto le dará tiempo de hablar con su médico o con el profesional que le receta el medicamento. El médico le ayudará a decidir si hay un medicamento similar en la Lista de medicamentos que usted pueda tomar o si debe pedir una excepción.

Si se le extiende una receta por menos días, autorizaremos múltiples reposiciones para proveer hasta un suministro máximo de medicación para 30 días de un medicamento incluido en la Parte D y un suministro para 90 días de un medicamento cubierto por Rhode Island Medicaid.

Cubriremos un suministro para 30 días de su medicamento Parte D o un suministro para 90 días de su medicamento cubierto por Rhode Island Medicaid si:

- usted está tomando un medicamento que no está en la Lista de medicamentos, **O**
- las reglas del plan de salud no le permiten obtener la cantidad indicada por el médico que le extendió la receta, **O**
- el medicamento requiere autorización previa de Neighborhood INTEGRITY, **O**
- usted está tomando un medicamento que tiene una restricción de tratamiento escalonado.

Si tiene preguntas, llame a Neighborhood INTEGRITY al 1-844-812-6896 y TTY 711, de lunes a viernes de 8 a. m. a 8 p. m.; y los sábados de 8 a. m. a 12 p. m. La llamada es gratuita. **Para obtener más información**, visite www.nhpri.org/INTEGRITY. IX

Si usted está en un hogar para personas de edad avanzada o en otro establecimiento de cuidados por tiempo prolongado y necesita un medicamento que no está en la Lista de medicamentos, o si no puede obtener fácilmente el medicamento que necesita, podemos ayudarle. Si usted ha estado en el plan durante más de 90 días, vive en un establecimiento de cuidado a largo plazo y necesita un suministro inmediatamente:

- Cubriremos un suministro para **31 días** del medicamento que necesita (salvo que tenga una receta para menos días), independientemente de que usted sea o no sea un miembro nuevo de Neighborhood INTEGRITY.
- Esto es adicional al suministro temporal durante los primeros 90 días que usted es Miembro de Neighborhood INTEGRITY.

Si su nivel de atención cambia y necesita un suministro inmediatamente:

- Cubriremos un suministro para 31 días del medicamento que necesita si usted vive en un establecimiento de cuidados por tiempo prolongado, o
- Cubriremos un suministro para 30 días del medicamento que necesita si usted **no** vive en un establecimiento de cuidados por tiempo prolongado.

B10. ¿Puede solicitar una excepción que cubra su medicamento?

Sí. Puede pedirle a Neighborhood INTEGRITY que haga una excepción y cubra el medicamento que no está en la Lista de medicamentos.

También puede pedirnos que modifiquemos las reglas que se aplican a su medicamento.

- Por ejemplo, Neighborhood INTEGRITY puede limitar la cantidad de medicamento que cubrimos. Si su medicamento tiene un límite, puede pedirnos que modifiquemos el límite para que cubramos más cantidad.
- Otros ejemplos: Puede solicitarnos que no se apliquen las restricciones de tratamiento escalonado o autorización previa.

B11. ¿Cómo puedo solicitar una excepción?

Para solicitar una excepción, comuníquese con el Servicio de atención a los miembros. El Servicio de atención a los miembros trabajará con usted y su proveedor para ayudarle a solicitar una excepción. También puede leer el Capítulo 9 del *Manual del miembro* para obtener más información sobre las excepciones.

B12. ¿Cuánto demora obtener una excepción?

Si tiene preguntas, llame a Neighborhood INTEGRITY al 1-844-812-6896 y TTY 711, de lunes a viernes de 8 a. m. a 8 p. m.; y los sábados de 8 a. m. a 12 p. m. La llamada es gratuita. **Para obtener más información**, visite www.nhpri.org/INTEGRITY.

Primero, debemos recibir una declaración del médico que le da la receta en la que respalde su pedido de excepción. Después de recibir la declaración, tomaremos nuestra determinación sobre su pedido de excepción y le informaremos en un plazo de 72 horas.

Si usted o su médico consideran que su salud se puede perjudicar si tiene que esperar 72 horas para obtener nuestra decisión puede solicitar una excepción acelerada. Se trata de una decisión más rápida. Si su médico respalda su pedido, le informaremos nuestra decisión dentro de las 24 horas de recibida la declaración de respaldo de su médico.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos están preparados con los mismos ingredientes activos que los medicamentos de marca. Por lo general, cuestan menos que los medicamentos de marca y por lo general no tienen nombres muy conocidos. Los medicamentos genéricos están aprobados por la Administración de Medicamentos y Alimentos (FDA).

Neighborhood INTEGRITY cubre medicamentos de marca y medicamentos genéricos.

B14. ¿Qué son los medicamentos de venta libre (OTC)?

OTC es la sigla de “over-the-counter”, que significa “de venta libre”. Neighborhood INTEGRITY cubre algunos medicamentos OTC cuando están recetados por su proveedor médico.

Puede consultar la Lista de medicamentos de Neighborhood INTEGRITY para ver qué medicamentos OTC están cubiertos.

B15. ¿Cuál es el copago?

Como miembro del plan Neighborhood INTEGRITY, usted no tiene que pagar copagos para los medicamentos recetados y OTC siempre y cuando usted cumpla con las reglas de Neighborhood INTEGRITY.

B16. ¿Qué son los niveles de medicamentos?

Los niveles son grupos de medicamentos incluidos en la Lista de medicamentos.

- Los medicamentos del Nivel 1 son los genéricos.
- Los medicamentos del Nivel 2 son los de marca.
- Los medicamentos del Nivel 3 son los OTC.

Ninguno de los niveles tiene copagos.

Si tiene preguntas, llame a Neighborhood INTEGRITY al 1-844-812-6896 y TTY 711, de lunes a viernes de 8 a. m. a 8 p. m.; y los sábados de 8 a. m. a 12 p. m. La llamada es gratuita. **Para obtener más información**, visite www.nhpri.org/INTEGRITY.

C. Breve resumen de la Lista de medicamentos cubiertos

La *Lista de medicamentos cubiertos* le proporciona información sobre los medicamentos que cubre Neighborhood INTEGRITY. Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice de medicamentos cubiertos que comienza en la página 155. En el índice encontrará una lista de todos los medicamentos cubiertos por Neighborhood INTEGRITY en orden alfabético.

Nota: La inscripción **DP** al lado de un medicamento significa que el medicamento no es un “medicamento de la Parte D”. El monto que usted paga cuando adquiere este medicamento bajo receta no se tiene en consideración para calcular sus costos totales de medicamentos (es decir que el monto que paga no lo ayuda a calificar para cobertura catastrófica).

- Además, si está recibiendo Ayuda Adicional para pagar por sus recetas, no recibirá Ayuda Adicional para pagar estos medicamentos. Para obtener más información sobre Ayuda Adicional, consulte el recuadro que aparece a continuación.

Ayuda Adicional es un programa de Medicare que ayuda a las personas con ingresos y recursos limitados a reducir los costos de medicamentos recetados de Medicare Parte D, como primas, deducibles y copagos. La Ayuda adicional también se llama “Subsidio por bajos ingresos” o “LIS.”

- Estos medicamentos también tienen diferentes reglas para las apelaciones. Una apelación es un recurso formal para pedir una revisión de la decisión de cobertura y modificarla si cree que hemos cometido un error. Por ejemplo, nosotros podríamos decidir que un medicamento que usted quiere no está cubierto o ha dejado de estar cubierto por Medicare o Rhode Island Medicaid.
- Si usted o su médico no están de acuerdo con nuestra decisión, puede presentar una apelación. Para pedir instrucciones sobre la forma de apelar, comuníquese con el Servicio de atención a los miembros llamando al 1-844-812-6896 (TTY 711). También puede leer el Capítulo 9 del *Manual del miembro* para saber cómo apelar una decisión.

C1. Lista de medicamentos por enfermedad

En esta sección, los medicamentos están agrupados en categorías según el tipo de enfermedad para la que se utilizan. Por ejemplo, si usted tiene una enfermedad del corazón, debe buscar en la categoría Agentes cardiovasculares - Medicamentos para tratar enfermedades cardíacas y circulatorias. Allí encontrará los medicamentos para tratar las enfermedades del corazón.

Significado de los códigos usados en la columna “Acciones necesarias, restricciones o límites de uso”:

B/D = Este medicamento recetado tiene un requisito administrativo de autorización previa de la Parte B versus D. Es decir que este medicamento puede estar cubierto por Medicare Parte B o D según las circunstancias. Es posible que se deba enviar información sobre el uso y el lugar de administración del medicamento para tomar la determinación.

DP = Este medicamento no corresponde a la Parte D.

QL = Límite de cantidad. Para ciertos medicamentos, Neighborhood INTEGRITY limita la cantidad de medicamento que cubrirá Neighborhood INTEGRITY.

ST = Tratamiento escalonado. En algunos casos, Neighborhood INTEGRITY requiere que usted primero pruebe cierto medicamento para tratar una determinada enfermedad antes de que cubramos otro medicamento para su enfermedad. Por ejemplo, si el *Medicamento A* y el *Medicamento B* se usan ambos para tratar su enfermedad, quizás Neighborhood INTEGRITY no cubra el *Medicamento B* si primero no prueba el *Medicamento A*. Si el *Medicamento A* no le da resultados, entonces Neighborhood INTEGRITY cubrirá el *Medicamento B*.

PA = Autorización previa. Neighborhood INTEGRITY requiere que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que usted deberá obtener aprobación de Neighborhood INTEGRITY antes de obtener el medicamento. Neighborhood INTEGRITY podría no cubrir el medicamento si usted no obtiene autorización.

NDS = Suministro por tiempo no extendido. Este medicamento no está disponible para un suministro mayor a 30 días.

LA = Acceso limitado. Este medicamento solo está disponible a través de ciertas farmacias especializadas.
