Behavioral Health

Please visit our Behavioral Health portal at: <https://www.liveandworkwell.com/content/en/member.html>

You will need your member ID number to create your account. Once you have created your account, you can search for pricing information for most of your covered behavioral health services.

Prescription Drugs

Please visit our Pharmacy portal at: <https://www.caremark.com/wps/portal>

You will need your member ID number to create your account. Once you have created your account, you can search for any prescription drug to see the cost of that drug, locate an in-network pharmacy, request refills, enroll in mail order, and much more. If you are not currently a member of Neighborhood and are looking for pricing information for your prescriptions, please call us at **1-855-321-9244, option 5**.
