

Update to Maternal Meal Delivery Program

Q: What is the purpose of this notification?

A: Effectively **January 1, 2025**, Neighborhood Health Plan of Rhode Island (Neighborhood) is using a different provider for the maternal meal delivery benefit.

Q: Who is the new provider?

A: We are transitioning from Mom's Meals to Meals on Wheels of Rhode Island.

Q: Which lines of business are impacted?

A: This benefit is available to new mothers on Medicaid and Commercial plans who have recently experienced a hospital birth.

Q: What does the benefit entail?

A: Eligible members receive 28 home-delivered meals at no cost, delivered directly to their door.

Q: Is the benefit changing?

A: No, the benefit itself is not changing.
